

# Accessibility Statement

accesso is committed to ensuring digital accessibility for people with disabilities. We strive to provide an inclusive and user-friendly experience for all visitors and are continually working to improve the accessibility of our website.

## Conformance Status

accesso.com aims to conform to the **Web Content Accessibility Guidelines (WCAG) 2.1 Level AA**, which define requirements for designers and developers to improve accessibility for people with a wide range of disabilities, including visual, auditory, motor, and cognitive impairments.

## Accessibility Efforts

As part of our ongoing commitment to accessibility, we:

- Design and develop with accessibility best practices in mind
- Support keyboard navigation and screen reader compatibility where possible
- Monitor color contrast, typography, and responsive layouts for readability
- Review new content and features for accessibility considerations

## Limitations and Alternatives

While we strive to ensure that all content on accesso.com is fully accessible, some content may not yet meet the highest accessibility standards. This may include older content, third-party integrations, or embedded tools that are not fully under our control. We are actively working to identify and address these areas.

## Feedback and Assistance

If you experience difficulty accessing any part of this website, or if you have suggestions for improvement, we encourage you to contact us:

**Email:** [accessibility@accesso.com](mailto:accessibility@accesso.com)

**Contact Form:** <https://www.accesso.com/contact>

We will make reasonable efforts to respond and address accessibility concerns in a timely manner.

## **Statement Updates**

This accessibility statement may be updated periodically to reflect improvements and changes to our accessibility practices.
